CAN'T MAKE YOUR APPOINTMENT? Please Let us Know

Every appointment matters. When an appointment is missed without cancellation, that time cannot be offered to another patient who may be waiting to be seen.

If you're no longer able to attend, please contact us as soon as possible to cancel or rearrange your appointment on 01249 812141.

A quick call can help us make best use of our clinical time and ensure more patients receive the care they need.

Thank you for helping us support our community.
